## Hall of Honors

Rich East Staff and the Rich East Alumni Association (REAL) are currently requesting nominations for the long anticipated, newly created, Rich East Hall of Honors. The Class of 2010, by way of their Senior Class Gift, generously presented funds to initiate the Hall of Honors that recognize and celebrate Rich East graduates who have made significant contributions to society, community or their profession. Current staff members have been working with REAL to establish and coordinate the vision of the Hall of Honors and the process for application.

An induction ceremony will be scheduled for the fall of 2011, coordinated, if possible, with the activities scheduled during Homecoming Week. Additionally, a portrait gallery will be established in the main office hallway to inspire our current Rich East students with their own thoughts and dreams of how they want to make their contributions to society, community and their chosen profession.

### Criteria:

1. Nominee must have graduated from Rich East at least 10 years ago.
2. Nominee must have made a significant contribution to society, their community, or their profession.
3. Family and/or friends may nominate a graduate who is deceased.

To nominate a Rich East graduate, complete the attached form, include all requested documents, and return to the Hall of Honors Committee by August 1, 2011.
